# CLOSER LOOK AT

# DBUU

The transformation of erstwhile Dev Bhoomi Group of Institutions to Dev Bhoomi Uttarakhand University brings with it a proud legacy spanning close to two decades. The University is built around its core values based on academic excellence, diversity and mutual respect, shared governance, social consciousness and environmental sustainability.

Dev Bhoomi Uttarakhand University stands tall on the edifice of higher education and has ushered an array of opportunities for the youth. Spread over an area of 42 acres, in lush green environs, the University offers plethora of programmes in its 12 constituent schools. With a keen eye on promoting impactful research, the University and its highly qualified faculty is in process of branding research flagship areas. Stress is being laid on experiential and project based learning, blended mode of pedagogy, academic audits, inter-disciplinary research, value added courses and entrepreneurship.

Dev Bhoomi Uttarakhand University has set the momentum to adopt NEP-2020 in a phased manner. Working towards realization of goals of quality enhancement and sustenance, developing systems for consistent and catalytic improvement shall remain the focus of Dev Bhoomi Uttarakhand University.

## VISION

To foster a community of lifelong learners with ability of critical thinking, entrepreneurship, leadership and to create an environment for discovery, innovation, discourse and expression.

## MISSION

- Setting a benchmark to improve performance and quality assurance in academics.
- Creating a thriving and sustainable research environment.
- Laying impetus on a successful student support system to nurture creativity, resiliency and problem solving skills.
- Inculcate the spirit of "सिद्धिर्भवति कर्मजा"
- Devise and Design programs in consonance with national policies and global challenges.

Meet the Team Behind DBU's Excellence

**LEADERSHIP@**

**DBUU**

**Shri Sanjay Bansal**

President  
Dev Bhoomi Uttarakhand University

DBUU has found this unique opportunity to give an overhaul to outdated teaching-learning practices and establish a radical new way of delivering and receiving education. Industry collaborations for curriculum development, students' training and placements establishing state-of-the-art research facilities, an outstanding pool of faculty with rich industry and academic experience, world-class infrastructure, placement opportunity with Fortune 500+ companies and a lot more to ensure that students get every opportunity to become the best version of themselves.

**Mr. Aman Bansal**

Vice President  
Dev Bhoomi Uttarakhand University

Over a long journey of 21+ years of pushing the boundaries of knowledge and innovation, we have built a place in Technical, Management, Journalism, Hotel Management Education with a focus on quality via up-to-date coursework and lectures teaching techniques backed by appropriate lab elements. We are dedicated to raising our infrastructure and framework to top-notch levels in order to provide the best academic and professional resources to prepare our students for a great journey ahead.

**Prof.(Dr.) Ajay Kumar**

Vice Chancellor  
Dev Bhoomi Uttarakhand University

The present era of globalization reflects a shift in the vision from creation of a resource pool to a path of holistic development of the young minds. Dev Bhoomi Uttarakhand University is determined to embark on that path; to be in sync with the nation's vision and global trends. It envisages a vision wherein academic excellence, innovation and holistic development are not mere letters but a way of life. We have been successfully navigating through our challenges, basking in the glory of our outstanding achievements and steadfastly working on our ambitious plans for future.

I firmly believe that our achievements shall be demonstrated by our students' employability and entrepreneurship.

Come and join Dev Bhoomi Uttarakhand University where "learning is a way of life".

SO MANY REASONS  
TO CHOOSE

DBUU

### 21 YEARS OF LEGACY

DBUU has been shaping the minds of the students for more than 2 decades. We have thousands of successful alumni that have excelled themselves in diverse fields.

### ACADEMIC EXCELLENCE

DBUU is recognized for its academic excellence and stands among the top universities in Uttarakhand with highly qualified and experienced faculties. We offer personalized academic guidance.

### MODERN INFRASTRUCTURE

DBUU has State-of-the-art infrastructure that is designed to support holistic development of the student as well as for academic excellence. We have spacious classrooms, well equipped laboratories and advanced computer labs.

### HIGHLY QUALIFIED FACULTY

DBUU takes pride in having its team of highly qualified, experienced and dedicated faculties. The faculties use modern teaching methods with modern digital tools.

### TOP PLACEMENT SUPPORT

DBUU is committed to providing top placement opportunities through its strong industry connections and continuous career support. It offers comprehensive assistance ranging from internships to final placements, ensuring students are well-prepared for successful careers.

### FOCUS ON COLLABORATIVE LEARNING

DBUU emphasizes on creating an interactive learning environment where students learn through real world experiences, team work and shared ideas.

### BEST LOCATION FOR EDUCATION WITH LOWEST AQI

DBUU is located in a serene, eco-friendly environment with one of the lowest AQI levels, offering students a healthy, peaceful and ideal atmosphere for focused learning.

### INDUSTRY-FOCUSED CURRICULUM

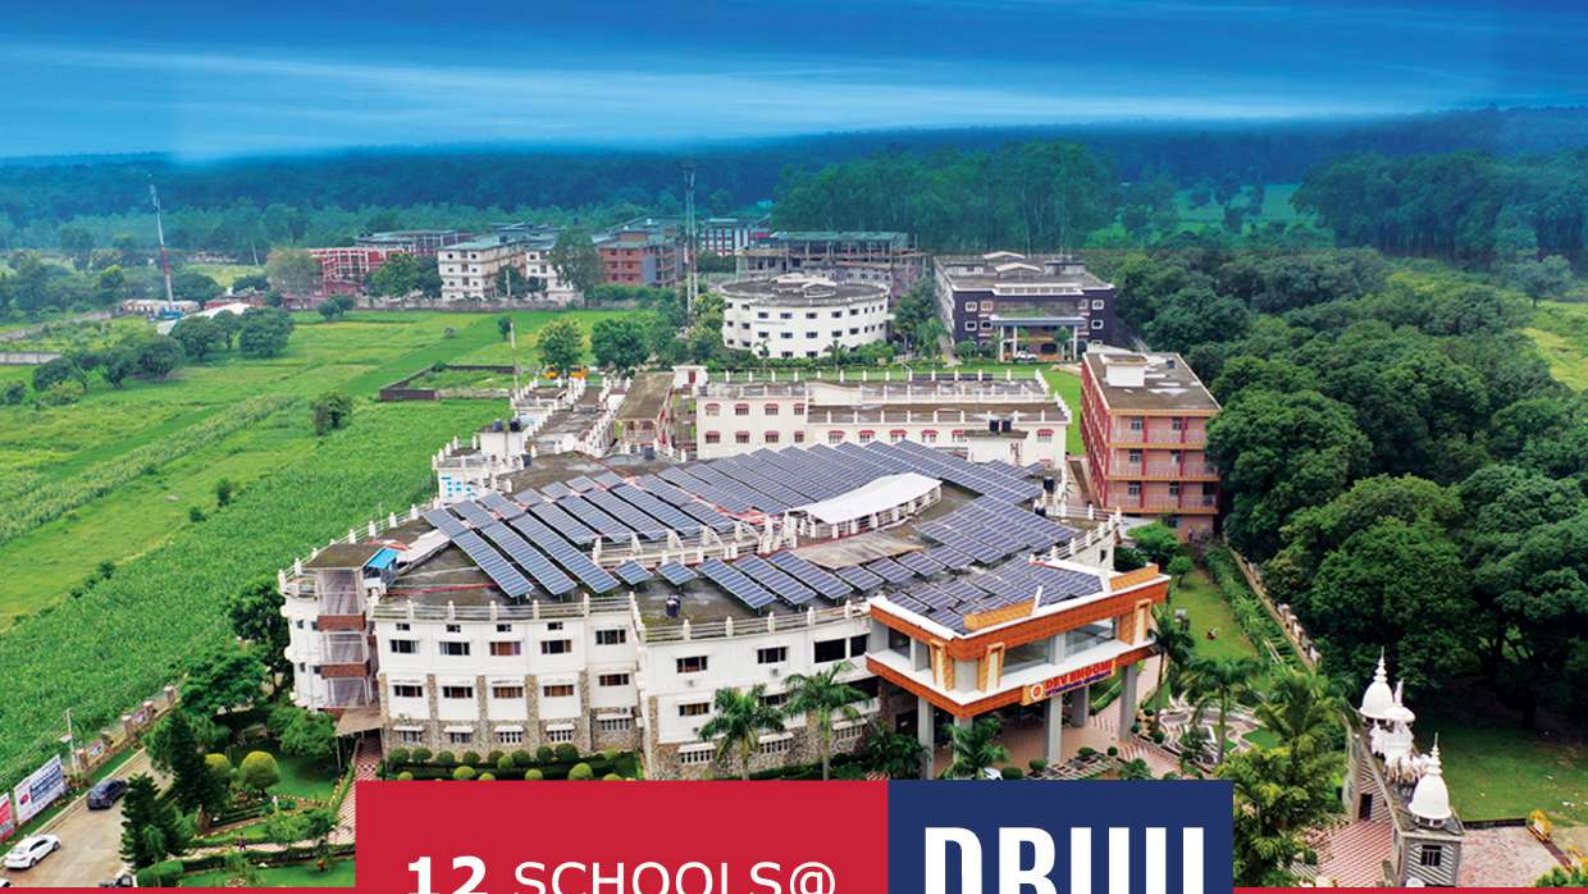

DBUU offers an industry-focused curriculum with expert interaction, mentors, live projects, internships and industrial training to build practical, job ready skills.

### PRACTICAL LEARNING APPROACH

DBUU follows a practical learning approach through hands-on training, live projects, internships and real world exposure to enhance skills and career readiness.

## HATCH: Nurturing Startup Ecosystem

HATCH, under the Dev Bhoomi Incubation and Innovation Foundation, fosters student entrepreneurship through its incubation center and initiatives. Occupying 5000+ sq. ft., it provides mentorship, funding access, and networking.

Strategic partnerships with EDC India and One Design Labs (upcoming) enhance startup education and digital branding skills. The incubation facility has nurtured 50+ student startup ideas in diverse sectors like travel, Agritech, Edtech, and Health over the past two years, offering mentorship, infrastructure, and IT support.

## Why HATCH?

- **Expert Mentorship:**  
Guidance from industry leaders.
- **Funding & Grants:**  
Access to financial resources.
- **Networking:**  
Connections with investors and experts.
- **Skill Development:**  
Workshops on essential business skills.  
HATCH aims to "Harness Aspiring Talent and Cultivate Hope," creating a vibrant ecosystem for student-led startups.

## Nurturing Startups at Hatch

- NirakshanAi Pvt Ltd.
- Ello Greens Pvt Ltd.
- SCOM LLP. (In Process)
- Abhoomi Organicfaram Pvt Ltd.

## Laghu Anusandhan Grant Scheme

Laghu Anusandhan, an esteemed initiative by the University, marks a significant step in our commitment to academic excellence and student empowerment. This program embodies the belief that undergraduate education should extend beyond traditional boundaries, fostering a vibrant research culture within our institution.

At its core, the Laghu Anusandhan Research Program aims to transform the educational experience for undergraduate students. It represents a shift from conventional teaching methods to a dynamic, experiential learning journey. By offering a platform for student research, the program seeks to ignite curiosity, ingenuity, and scholarly exploration. In a rapidly evolving world, the demand for young minds equipped with inquiry, critical thinking, and innovation is crucial. This initiative serves as a response to that need, providing fertile ground for groundbreaking ideas and novel discoveries.

## Eligibility Criteria:

- Open to all undergraduate students enrolled at the University.
- Students can form their own teams and select mentors, encouraging cross-disciplinary research.
- Proposals must be coordinated by a faculty member serving as the project supervisor (maximum of two).
- Students must have completed at least two semesters of their undergraduate program.

## Funding and Support:

- The initiative offers funding of up to Rs 25,000 per project.
- Selected research projects will receive financial support from the University to cover expenses such as materials, equipment, travel, and participant compensation.

# NATIONAL SERVICE SCHEME@

# DBUU

The National Service Scheme (NSS) is an Indian government-sponsored public service program conducted by the Ministry of Youth Affairs and Sports of the Government of India. Popularly known as NSS, the scheme was launched in Gandhiji's Centenary year in 1969. Aimed at developing student's personality through community service, NSS is a voluntary association of young people in Colleges, Universities and at +2 level working for a campus-community (esp. Villages) linkage. Orientation of students in national problems.

The motto of National Service Scheme is **NOT ME BUT YOU**
