About the **Institute**

Dev Bhoomi Institute of Polytechnic (DBIP), one of the leading polytechnic institutes in Dehradun, Uttarakhand, is affiliated with the Uttarakhand Board of Technical Education, Roorkee (UBTER), and is renowned for its exceptional technical education and industry-oriented learning environment. Established in 2012, DBIP has earned a strong reputation for delivering quality diploma programs that prepare students for successful careers in engineering and technology.

The institute offers a comprehensive curriculum designed to blend theoretical knowledge with practical exposure through modern laboratories, workshops, industrial visits, and project-based learning. With experienced faculty members, state-of-the-art infrastructure, and a student-centric approach, DBIP focuses on nurturing innovation, technical proficiency, and professional ethics among its students. The institute also emphasizes skill development, personality enhancement, and industry collaboration to ensure graduates are well-equipped to meet the evolving demands of the job market. Through its commitment to academic excellence and holistic development, DBIP continues to empower aspiring engineers and contribute significantly to technical education in Uttarakhand and beyond.

Programme Highlights

Experienced Faculty

Our dedicated and experienced faculty members are passionate about their fields and committed to providing personalized guidance and support to each student.

Experiential Learning

Educational Visits, Industry Visits, Field Trips, Live Projects, and Simulations are core components of Diploma pedagogy.

Industry Exposure

We have established strong partnerships with leading companies in the engineering sector, facilitating internships, placements, and industry exposure for our students.

Infrastructure For Practice

We provide a modern learning environment equipped with advanced laboratories, workshops, and classrooms.

Courses offered

Dev Bhoomi Institute of Polytechnic (DBIP) has emerged as a premier destination for technical education in Uttarakhand through its commitment to academic excellence, practical learning, and skill development. The institute is dedicated to nurturing competent professionals by providing industry-relevant diploma programs supported by modern infrastructure, well-equipped laboratories, experienced faculty, and hands-on training opportunities.

Diploma Programmes

II Computer Science & Engineering : 3 Years

II Civil Engineering - Duration : 3 Years

II Electrical Engineering - Duration : 3 Years

II Mechanical Engineering - Duration : 3 Years

II Automobile Engineering - Duration : 3 Years

Eligibility — The candidate must have passed 10th examination or equivalent with 35% marks or equivalent Grade Point Average (GPA) from a recognized board can apply for admission.

Boundless Career Opportunities

After Engineering

Computer Science & IT Careers

Software development, full-stack and mobile app development, cloud computing, system architecture, and enterprise solutions.

Data Science, Artificial Intelligence, Machine Learning, Big Data Analytics, and Business Intelligence roles.

Cybersecurity, Ethical Hacking, Network Security, and Digital Forensics to safeguard data and systems.

Cloud Computing & DevOps careers in AWS, Azure, Google Cloud, and automation of software deployment.

Blockchain & Web3 technologies including smart contracts, decentralized applications (DApps), and crypto security.

Core & Emerging Engineering Careers

Civil Engineering – Junior Civil Engineer, Site Supervisor, Surveyor, CAD Technician, Construction Supervisor, Quality Control Assistant, Estimation Engineer, and employment in construction companies, infrastructure projects, and government departments.

Mechanical Engineering – Mechanical Technician, Production Supervisor, Quality Inspector, Maintenance Engineer, Design Assistant, CNC Machine Operator, and roles in manufacturing, automobile, aerospace, and industrial sectors.

Electrical Engineering – Electrical Technician, Maintenance Engineer, Power Plant Technician, Electrical Supervisor, Control Panel Technician, Field Service Engineer, and opportunities in power generation, transmission, manufacturing, and electrical contracting firms.

Automobile Engineering – Automobile Technician, Service Engineer, Vehicle Maintenance Supervisor, Quality Control Inspector, Workshop Manager, Automotive Design Assistant, and careers in automobile manufacturing companies, service centers, and transportation industries.

Government Sector & PSUs - Prestigious roles in DRDO, ISRO, NIC, CDAC, and PSUs like BHEL, IOCL, ONGC, for software development, AI, automation, infrastructure, and engineering projects.

Entrepreneurship & Startups - Opportunities to build startups in SaaS, AI solutions, fintech, e-commerce, manufacturing tech, construction tech, aerospace innovation, and IT consultancy.

Annual Technical fest Navadhara

Navadhara is an annual technical fest organized by Dev Bhoomi Uttarakhand University, aimed at providing a platform for students to learn from prominent experts, showcase their technical skills, foster innovation, and promote collaboration among budding technologists. The event aims to bring together students from various schools, colleges and universities to participate in a series of competitions, workshops, and exhibitions centered around emerging technologies and engineering disciplines.
