Published in pursuance of section 46 of
Uttarakhand Private Universities Act, 2023

CLOSER LOOK AT DBUU

The transformation of erstwhile Dev Bhoomi Group of Institutions to Dev Bhoomi Uttarakhand University brings with it a proud legacy spanning close to two decades. The University is built around its core values based on academic excellence, diversity and mutual respect, shared governance, social consciousness and environmental sustainability.

Dev Bhoomi Uttarakhand University stands tall on the edifice of higher education and has ushered an array of opportunities for the youth. Spread over an area of 42 acres, in lush green environs, the University offers plethora of programmes in its 11 constituent schools. With a keen eye on promoting impactful research, the University and its highly qualified faculty is in process of branding research flagship areas. Stress is being laid on experiential and project based learning, blended mode of pedagogy, academic audits, inter-disciplinary research, value added courses and entrepreneurship.

Dev Bhoomi Uttarakhand University has set the momentum to adopt NEP-2020 in a phased manner. Working towards realization of goals of quality enhancement and sustenance, developing systems for consistent and catalytic improvement shall remain the focus of Dev Bhoomi Uttarakhand University.

President's Communique

It is a matter of immense pride and joy to witness our university - vibrant and flourishing, with energy and activity resonating across the campus throughout the year—from the excitement of Fresher's Week to the triumph of Graduation Day.

The presentation of the fourth edition of the University Annual Report brings us deep satisfaction and, at the same time, strengthens our resolve to scale greater heights. True to its vision and ethos, the University continues to reach out, inform, and engage—improving lives regionally, nationally, and globally.

We remain steadfast in our commitment to moulding leaders and entrepreneurs, creating positive impact through research and teaching, and nurturing compassionate, socially conscious lifelong learners.

This Annual Report reflects how we are responding to the aspirations of millennial youth, addressing global challenges and regional issues, and upholding our unwavering dedication to imparting quality education and pioneering research.

To our vast student fraternity, we reaffirm: "University is where you discover who you are and what you're capable of" and university will be a constant support till each student reach pinnacle of success.

With Warm Good Wishes,

Mr. Sanjay Bansal

President

Dev Bhoomi Uttarakhand University

Leadership Note Vice President's Desk

It's an exciting time for change and transformation in Dev Bhoomi Uttarakhand University. From artificial intelligence and Cyber security, software development and agriculture to wellness and Management, DBUU has positioned itself as a hub of innovation and that spirit of experimentation permeates the DBUU campus and emboldens our students and the faculty members.

At DBUU, we have a fearless vision of what we can achieve. We are a community of diverse ideas and backgrounds. We are interested in business, science and technology, but we are also interested in the arts, hospitality and nature. In the mountains we seek adventure and peace, whether on skis or on the trail. The enthusiasm in students motivates our team to do better but the consistency helps us to get closer to our goal every day.

We at DBUU aim and strive for making the students the true citizens of this nation, as they are the future of tomorrow that will represent India & become the better leaders of this nation.

With Warm Good Wishes,

Mr. Aman Bansal

Vice President
Dev Bhoomi Uttarakhand University

Leadership Note Vice Chancellor's Desk

I am delighted and pleased to share that the Dev Bhoomi Uttarakhand University is publishing its Annual Report, reflecting the progress achieved across all schools in terms of academics, research, cultural activities, and other significant events conducted during the year. This comprehensive documentation of advancement aligns with and contributes to the mission and vision of the University.

I extend my sincere appreciation and congratulations to all stakeholders for their efforts in compiling and presenting this Annual Report. I am confident that in the coming years, the schools and the University will continue to excel and achieve greater milestones.

Thank you!!

With Warm Good Wishes,

Prof. (Dr.) Ajay Kumar

Vice Chancellor
Dev Bhoomi Uttarakhand University

EXECUTIVE SUMMARY

**Develop a passion for learning.
If you do, you will never cease to grow**

The year was of science, innovation, research and progression.

This report presents a summary of DBUU's accomplishments in the year 01st April, 2024 – 31st March, 2025. It gives an insight to the renewed vigour and an unwavering commitment to excellence encapsulating the university's milestones, academic strides and collective aspirations. The compendium gracefully chronicles university's progress across diverse dimensions - student admissions, the functioning of statutory bodies, academic programmes, infrastructural augmentation, research ecosystem cultural and co-curricular engagements, financial stewardship, curriculum development, and the conduct of examinations.

Today, with 11 Schools and a vibrant student fraternity of 7996 learners, the University continues to ascend as an institution of consequence-one that is steadily fortifying its presence in the higher-education landscape.

Recorded by the continuous rise in student strength, the University has endeavoured to elevate academic rigour through blended learning, contemporary pedagogical practices, capacity-building initiatives, personality development, research cultivation, and the nurturing of empathy, compassion and environmental sensitivity, thereby contributing to the strengthening of the social fabric that binds us.

Research remains the veritable crown of academic distinction. At DBUU, we recognize its transformative power-whether in the realm of foundational inquiry or frontier-level exploration that leads to innovation and discovery. The University's h-index has risen to 35 and more than 1 Crore research funding received from external agencies, the progress on research front has been phenomenal.

The numerous education/field visits, celebration of days of eminence and participation in Conferences, Seminars, Webinars throughout the year gives students the flavour of industrial exposure in their domains. University strives hard to bridge the academia-industry gap.

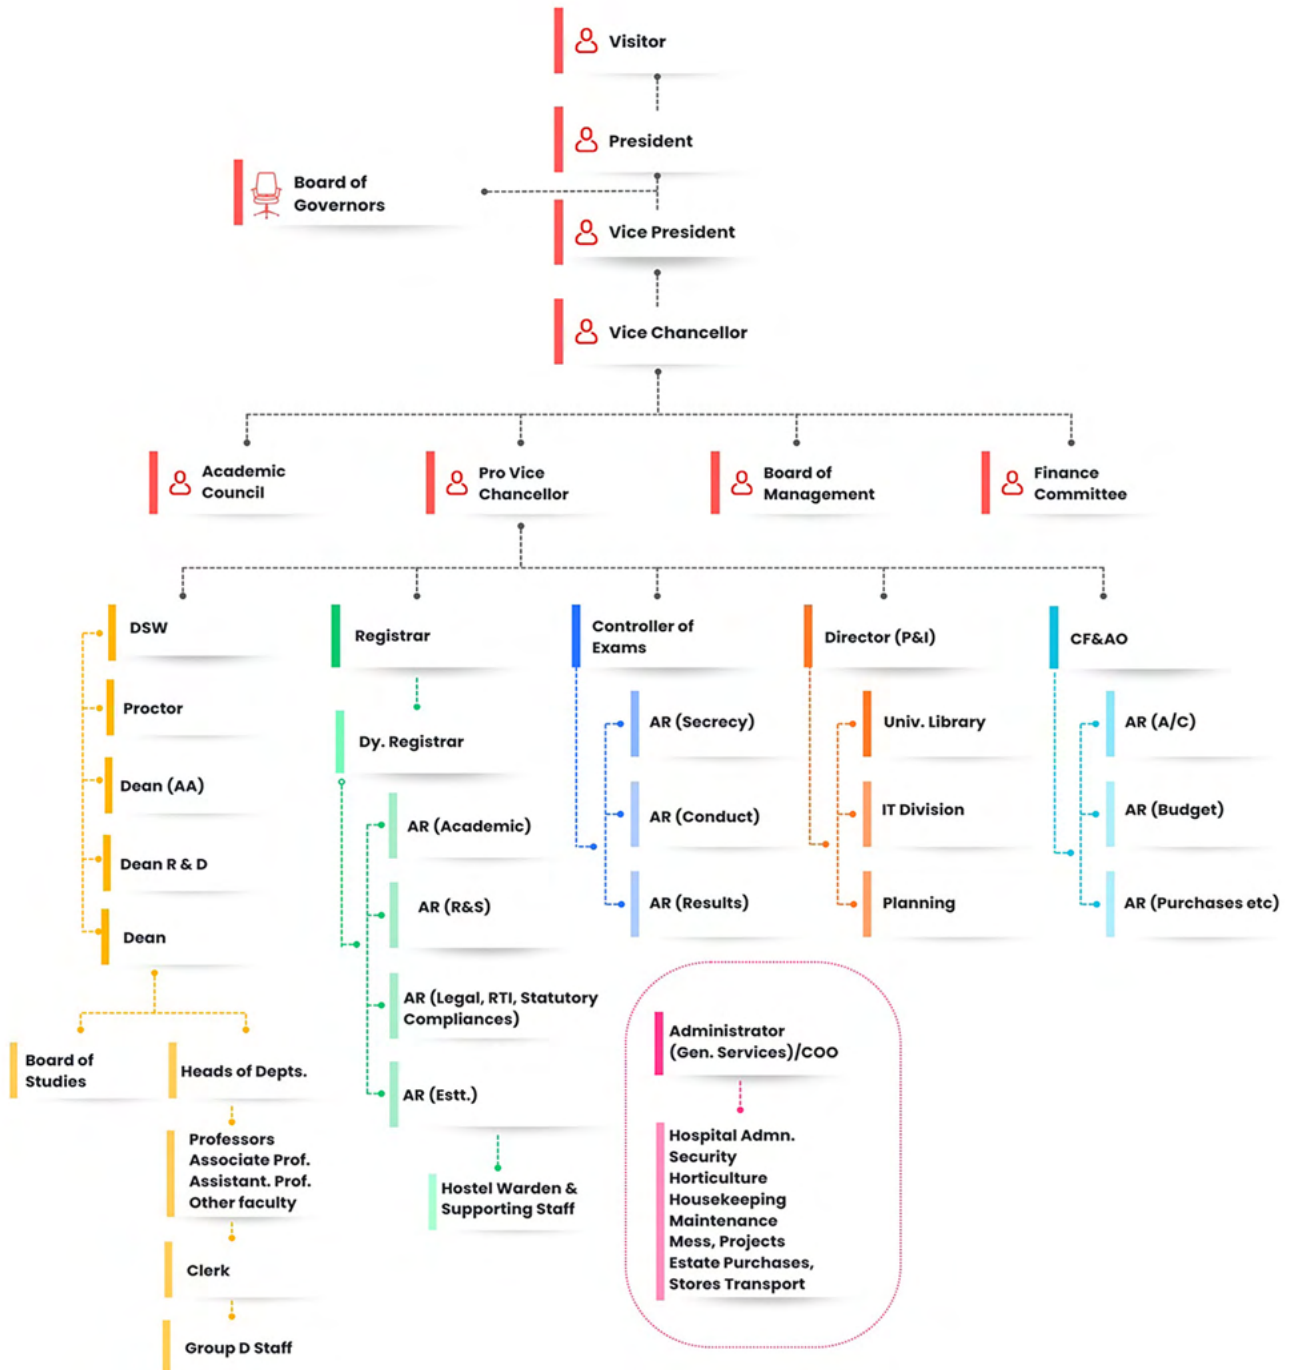

The year earmarked two International Conferences on Pharmaceutical Sciences and Allied Sciences with numerous national/international speakers visiting university and making students gear up for being industry ready. One International Webinar on Prioritizing Mental Health, taking into account the need of student community as a whole.

Setting up of two different Centre of Excellence at the university, with an aim to embark knowledge of Bioinformatics on one hand which is the present day need of AI -Biology alliance and Indian Knowledge System on the other which blends ancient wisdom and modern science to keep our students grounded and rooted to ancient Indian Knowledge.

University marches towards obtaining accreditation of various bodies and national/international rankings in order to maintain academic standards and step on the path of success with each passing year.
