<b>Duration:</b>	01 Day
<b>Venue:</b>	Dev Bhoomi Uttarakhand University Campus, Dehradun
<b>Participants:</b>	Students, NSS volunteers, and faculty members
<b>Resource Persons/Experts/Guests</b>	Dean, SOA and other NSS cell members

### Aligned SDGs

### Rationale for SDG Linkage

The plantation drive contributed to climate change mitigation by increasing green cover and promoting environmental responsibility among students.

The activity supported conservation of terrestrial ecosystems by enhancing biodiversity and protecting land resources through tree plantation.

### Objectives of the Activity

- To promote environmental awareness among students
- To encourage tree plantation for ecological sustainability
- To instill social responsibility towards nature

## Description of the Activity

Under the national initiative “Ek Ped Maa Ke Naam,” the NSS unit organized a plantation drive within the university campus. Students and faculty actively participated by planting saplings and pledging to nurture them. The activity emphasized the importance of trees in maintaining ecological balance.

## Outcomes of the Activity

- Increased awareness about environmental protection
- Active student participation in sustainability initiatives
- Contribution to a greener and healthier campus
