FROM CHANCELLOR'S DESK

It gives me immense pleasure and pride to be presenting a foreword for the first Annual Report (2021-22) of Dev Bhoomi Uttarakhand University, published in pursuance of section 51 of Dev Bhoomi Uttarakhand University Act No. 17 of 2021.

This has been a year of achievement, reflection and forward thinking at Dev Bhoomi Uttarakhand University. I am glad to assert that our University's prime endeavor is "Innovative Quality Academics" and "Impactful Research", since we believe that education empowers the youth to carve their own path and transform numerous unwanted endings to benefitting beginnings.

With a dynamic team at the helm, the University aims to provide skilled and specialist professionals who shall immensely contribute towards nation building.

Our diverse academic community; a strong and distinct portfolio of programs drives our aspiration to be the leaders of tomorrow.

I am proud that our individual and collective achievements have carved a path to fulfill & achieve our future ambitions as an energetic, connected academic community.

With warm good wishes,

Shri Sanjay Bansal
Chancellor

FROM PRO CHANCELLOR'S DESK

It's an exciting time for change and transformation in Dev Bhoomi Uttarakhand University. From artificial intelligence and Cyber security, software development and agriculture to wellness and Management, DBUU has positioned itself as a hub of innovation and that spirit of experimentation permeates the DBUU campus and emboldens our students and the faculty members.

At DBUU, we have a fearless vision of what we can achieve. We are a community of diverse ideas and backgrounds. We are interested in business, science and technology, but we are also interested in the arts, hospitality and nature. In the mountains we seek adventure and peace, whether on skis or on the trail. The enthusiasm in students motivates our team to do better but the consistency helps us to get closer to our goal every day.

We at DBUU aim and strive for making the students the true citizens of this nation, as they are the future of tomorrow that will represent India & become the better leaders of this nation.

With warm good wishes,

FROM VICE CHANCELLOR'S DESK

Dev Bhoomi Uttarakhand University was established on 15th July, 2021 by Government of Uttarakhand, notification being issued on September 24th 2021, in recognition of the service to the State by its parent body, Uttarakhand Utthan Samiti, Dehradun.

The University is an extension of values and ethos of its sponsoring body and strives to stand tall on the edifice of higher education.

In alignment with the motto of सिद्धिर्भवती कर्मजा, the University envisages a vision wherein academic excellence, innovation and holistic development are not mere letters but a way of life.

I feel privileged to be presenting the 1st Annual Report of Dev Bhoomi Uttarakhand University, covering the period from September 24th 2021 to March 31st 2022.

The annual report reflects how we have navigated the challenges faced during the past year, and also highlights our outstanding achievements and ambitious plans for the future.

Achievements would not have been possible without the expertise, commitment, professionalism, hard work and passion of our staff and also the hand holding of University leadership and authorities.

Dev Bhoomi Uttarakhand University offers a wide and distinctive array of 62 programmes which includes under graduate, post graduate and doctoral programmes. We aim to provide exceptional value to our diverse community of students by guiding them to achieve their career aspirations through personalized, well supported and industry relevant learning opportunities.

FROM VICE CHANCELLOR'S DESK

I firmly believe that our achievement will be demonstrated by our student's employability and entrepreneurship.

In sync with the present times, the University Entrepreneurship Development Cell has been actively undertaking activities for grooming successful entrepreneurs imbued with leadership qualities, innovative practices and ethical business practices.

Recognizing our responsibility to global sustainability, an Eco-Task Force is there to drive forward our climate action framework and work hard towards ensuring a steady progress in reducing our carbon footprints.

As evident, the new National Education Policy (NEP-2020) reflects a shift in the vision from creation of a resource pool to a path of holistic development of the young minds. Dev Bhoomi Uttarakhand University is determined to embark on that path; to be in sync with the nation's vision and global trends.

Let us aspire to not only keep up the past glories but also to steer the university on the path to new direction in keeping with the demands of the present times.

Prof. (Dr.) Preeti Kothiyal
Vice Chancellor

EXECUTIVE SUMMARY

Dev Bhoomi Uttarakhand University stands tall with its holistic vision of fostering a society of lifelong learners and creating an environment of discovery, innovation, discourse and expression.
